"Cause crime to rise",
Soon the DS/MSM will blame the riots on people's frustration at being locked down, which is obviously Trump's fault 😳 because of his poor handling of the crises.
They will turn riots so they are against Trump/pandemic.
Another reason for mail ballots.

The DS tried their best to make Law Enforcement the new Gestapo, with their abusive restrictions. Didn't work, most law enforcement officers have too much experience, too much common sense for that, so on to plan B.

Bring out the rioters, remember pantifa?, Random riots across the country under the guise of any cause, more coming, lots of bored people getting a check for doing nothing, plenty of time to riot.
And of course just like the pandemic

that makes it very unsafe to vote in public 😳

The Dem "management" of cities affected by riots will demand the National Guard step in.
The MSM we'll be right behind to take pictures of the Guard on patrol in the city so they can show "Trump's America".😳

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

I'm hearing some disturbing things now. The Dems/DS intend to "Take" the election. They know they can't win, they know the vast public opinion is against them. So they intend to just take it, claim they won.

They do not have access like they did when Obama was in power. Their control over the fraudulent voting mechanisms, satellites, rigged voting machines, mail in voting, etc. Is Much less than in 2016/18. Pres.Trump is doing a great job at cutting off their schemes.

TikTok RR, I am being "compelled" now. And absolutely NO limits have been placed on my testimony. The entire case is about illegal surveillance, and it revolves around you. I can put anything I want on the record now. AND I WILL NOT BE HOLDING BACK ANYTHING.

The crimes and illegal surveillance that you participated in and/or directed will be discussed. The illegal surveillance against President Trump, General Flynn, civilians, politicians, business rivals, and JUDGES, will be going on the

Isn't it odd 🤔 In the Sharyl Attkisson case, pacermonitor.com/public/case/31... The court refuses to put Sean Bridges on the public docket. Not even his attorney is allowed to be listed. None of their responses allowed after being assigned to this judge🤔🤔

Is that because he was the major computer expert running the illegal Hammer operation in Baltimore 🤔🤔 Is it because he made copies Hillary Clinton, and MANY Others, emails? Is it because he has copies of the Hillary laptop?
